# Highly qualified professionals

**O**ur well-trained, experienced dentists and dental assistants work in state-of-the-art offices to provide you and your family with the best in dental care.

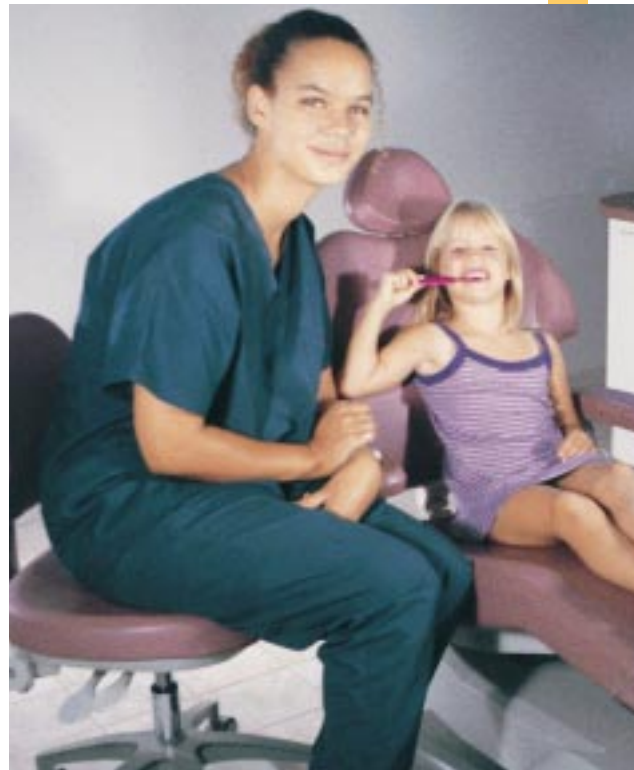

The offices offer a full range of dental services, including routine exams, cleaning, fillings, X-rays, extractions, endodontics and periodontal care.

Our dentists and dental assistants can also teach you and your family how to prevent tooth decay and gum disease so you'll have healthy teeth that last a lifetime.

# A friendly office

**O**ur friendly staff will welcome you to the office, whether you come alone or bring family members. We provide a play area for our youngest visitors.

Our convenient dental offices are run by Steelworkers for Steelworkers, so you'll feel right at home. Where possible, our offices provide extended hours for your convenience.

# We make it easy to pay

**W**e understand how hard it can be to pay for badly needed dental services, so the Steelworkers' Dental Offices are trying to make it a little easier.

Fees at the Steelworkers' Dental Offices are only 85% of the previous year's fees from the Ontario Dental Association, so your benefit dollars go further.

We accept all insurance plans, so you only have to pay the deductible amount under your benefit plan. We deal directly with the insurer, so you don't have to submit receipts or wait for payment.

For your convenience, we also accept Visa and Interac. Our office staff will be happy to discuss other payment options with you.

Call today and book an appointment for you and your family at the Dental Office closest to you. We look forward to serving you.
